Dear Mr. Estep:

I received your letter and information regarding your smoking cessation program. I appreciate your taking the time to write and share your concern with me.

First, I must congratulate you on your accomplishments in developing a smoking cessation program that has garnered national recognition. On behalf of the citizens of the great state of West Virginia, I commend you for all of your hard work and dedication to such a project.

In an effort to make your information further known, I forwarded your letter to Joan Ohl, cabinet secretary, Department of Health and Human Resources, for review. I am confident that all of your material will be carefully considered.

Again, I appreciate your taking the time to write.

Very sincerely,
